Admissions 2024

Somaiya Vidyavihar University - At a Glance

Somaiya Vidyavihar University, with over six decades of rich experience in managing educational institutions and imparting quality education, offers numerous opportunities and multidisciplinary programmes to students worldwide.

Somaiya Vidyavihar University is located in the heart of Mumbai and nestled in a vast 50-acre green campus. The university caters to 39,000+ students in diverse fields of education including Design, Engineering, Science, Commerce & Business Studies, Humanities & Social Sciences, Library & Information Science, Management, Religion & Culture, Sports, and Music. Established in 2019, Somaiya Vidyavihar University, Mumbai, is a self-financed, private university recognised by the University Grants Commission (UGC).

Our Vision

Padmabhushan Shri K J Somaiya founded Somaiya Vidyavihar on the 9th of September 1959.

He later founded the Girivanvasi Pragati Mandal, The K J Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multidisciplinary and multi-campus education institution with over 1500 faculty, and 39,000 students.

Our motto is: ज्ञानादेव तु कैवल्यम् । Knowledge alone liberates. Liberates from poverty, from hunger. Also to liberate one from the attachments that bind us to small-mindedness. Knowledge also provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity.

न मानुषात् परो धर्मः । We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. अभ्यासेन तु कौन्तेय वैराग्येण च गृह्यते । We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages.

Finally, our education will help students lead a full life, to fall in love with life.

Our dream, is to build a world-class research and teaching institution, that is global in the reach of its ideas, and universal in its service. Welcome to our community.

Message from the Hon'ble Chancellor Shri Samir Somaiya

Somaiya Vidyavihar University was formed in 2019. University status gives us greater academic freedom to imagine and work towards building a world-class institution. The motto of Somaiya Vidyavihar University is ज्ञानादेव तु कैवल्यम्- 'Liberation only through knowledge.' The knowledge that we provide is meant to enable the student to pursue his or her dreams.

Our education is meant to be experiential, holistic, to be able to engage with one another and learn from each other. Our founder, my grandfather, Padma Bhushan Karamshi Jethabhai Somaiya always believed that one must learn from the best. We are jointly working in the pursuit of that goal. I believe the road is long, but we are on it. And that we must work and pursue the goal together.

It is what we do, as faculty, as students, as staff, and as alumni that will help make this happen. All of the above, have fun. We are on this journey together. To build an institution global in the reach of its ideas and universal in its service.

Message from the Vice Chancellor Prof V N Rajasekharan Pillai

It is a pleasure to welcome you to Somaiya Vidyavihar University, nestled in Mumbai. Our journey began in 1942 as a village primary school, and in 1959, we established the first Arts, Science, and Commerce College. I take pride in being part of the accomplished Somaiya Vidyavihar University, where we value knowledge, innovation, and excellence, making us a premier teaching and research institution.

As a higher education institution, we aim to instil character, leadership, and social responsibility in our students, preparing them for an ever-changing world. Our university has a distinguished faculty, modern facilities, and a diverse student body, fostering academic and personal growth. With a variety of programmes where students can pursue their passions.

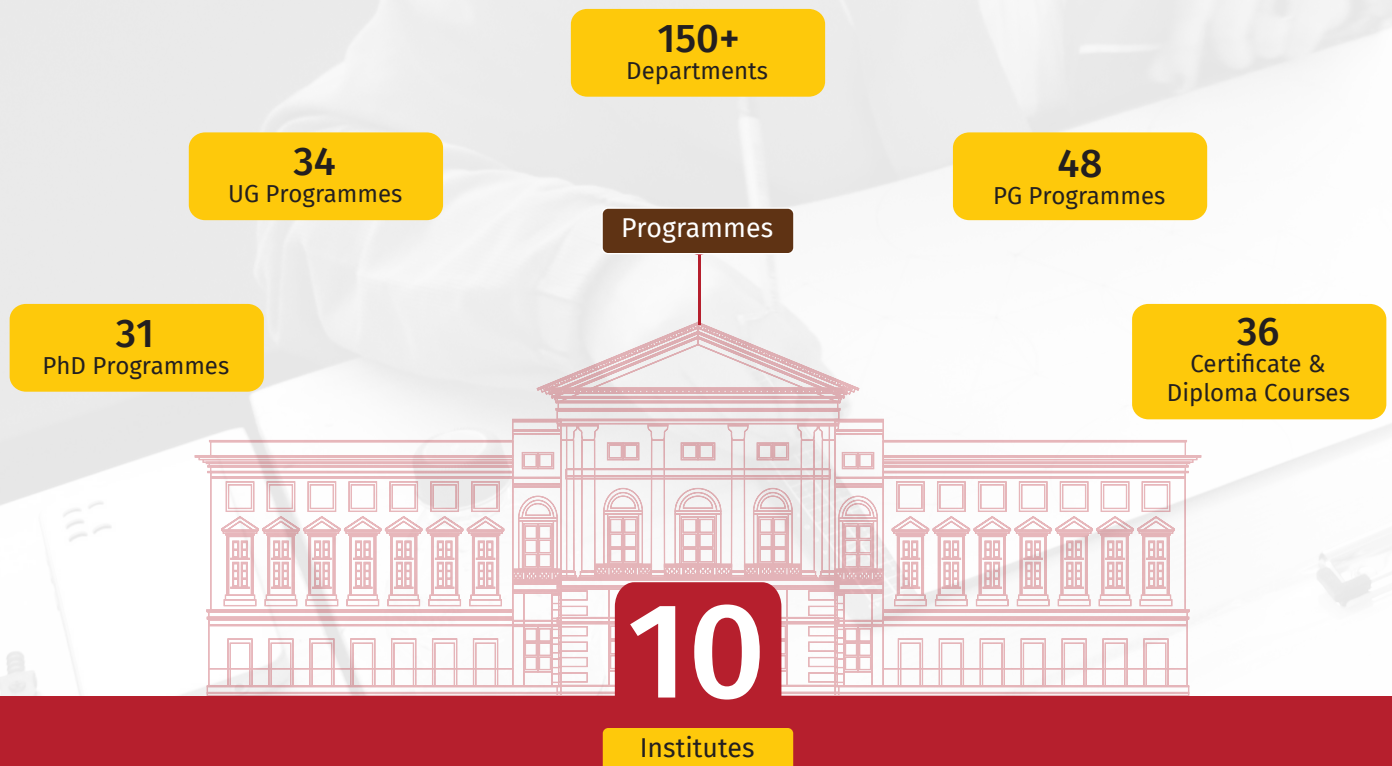

Dear Students, as you embark on this journey with us, remember you are joining a community that values diversity, innovation, and the pursuit of knowledge. Whether you become an engineer, a manager, or an entrepreneur, We provide resources and support for your success.

I encourage you to explore opportunities on our campus. Embrace challenges and never stop pursuing knowledge. Together, we will shape a brighter future for the world. I look forward to your growth and positive impact. Welcome to a place where you are not just a student but a member of a global family. Best wishes on your journey!

Ranking & Recognition

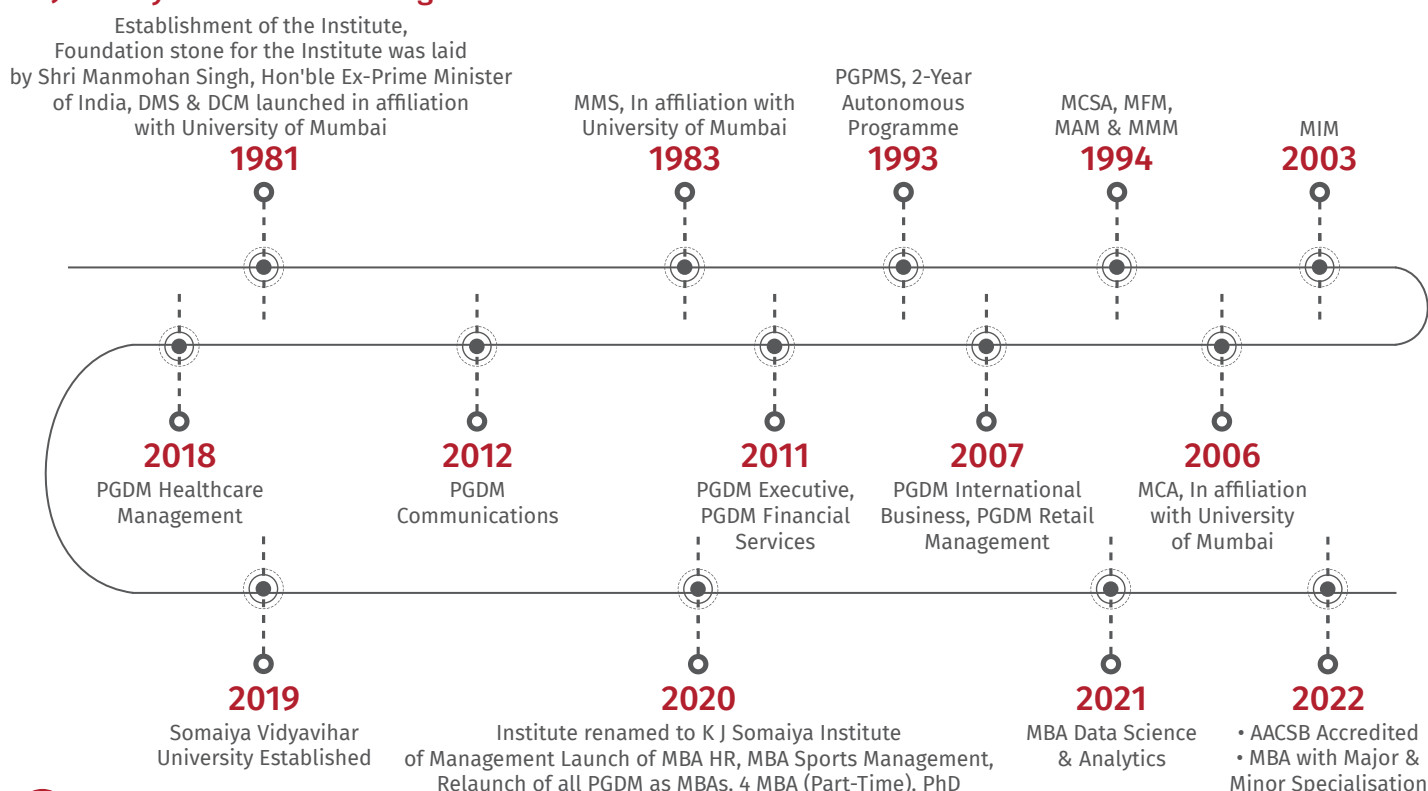

Somaiya Vidyavihar University

K J Somaiya College of Engineering

K J Somaiya Institute of Management

Become a multi-faceted, future-ready engineer with K J Somaiya College of Engineering that comes from the Somaiya Vidyavihar University - a name associated with a rich legacy and unflagging commitment to the cause of education and research. We enable our students to stand out amongst their competitors and confidently take on the big question, "What Next?" Design, Build and Test your projects with experienced faculty mentors and expand your skills with industry-oriented labs.

Key Features:

- Expand your network and fast-track your career with Honours and Minors programmes
- Pursue interdisciplinary learning / research and take your idea to the market
- Choose from different hobbies such as Sports, Music, and Painting through Exposure Courses
- "Learning by doing" through Project-Based Learning / Industry Internships / Megaprojects
- Get a chance to participate in national and international technical events / competitions
- Opportunities for Credit Transfer Programmes with national / international institutions
- Opportunities for semester-long Internships in the industry / Research Institute, Encouragement for Entrepreneurship
- Inclusive Education and Differentiated Teaching / Learning and Evaluation based on learning needs

Programme	Name	Duration	Fees Per Year	
			For Indians	For NRI & Others
Under-Graduate	BTech Computer Engg /Artificial Intelligence &Data science/ Information Technology	4 years	₹ 5,08,000/-	₹ 7,29,990/-

K J Somaiya Institute of Management was established in 1981 as part of Somaiya Vidyavihar (now a constituent institute of the Somaiya Vidyavihar University since August 2019) with the objective of providing state-of-the-art education in management and allied areas. The Institute is AACSB accredited and consistently ranked among the top 25 Management Institutes and Top 10 private sector B-schools in India.

Over the past four decades, the Institute has evolved into a leading B-school offering sector-specific and employment-oriented management programmes. Apart from the regular programmes, the Institute offers customized and industry-specific certificate and executive development programmes for government bodies, companies, defense personnel, and NGOs.

Key Features:

- Legacy of producing value based and purpose driven professionals for 40+ years
- Student metamorphosis through self reflection, competency mapping and self discovery of true potential
- Global Alumni Base: 14000+ Alums spread across 60+ countries
- Learn from our experienced faculty using latest pedagogy
- Be industry ready graduate from day one
- Student exchange and immersion programmes with 17 countries

Somaiya School of Design, supported by riidl, is an institution without boundaries. We offer a Bachelor of Design - 4 year, full-time under-graduate degree programme, in Product Design where students learn how to build solutions that either bring delight to the lives of people or solve the problems of our people and planet. These solutions could be physical, digital or strategic in nature or a combination of them. Students explore building these solutions (products) across sectors using core design principles. From the third year, students can specialise in either UI/UX design, Visual communication design Or Design for tangible products.

Key Features:

- Diverse faculty who are Industry Experts from across the globe
- Evolving multidisciplinary curriculum based on Design, Technology, Business & Humanities
- World-class laboratories to build prototypes - FabLab, SMAC Lab, BioDesign Lab, XR Lab, Material Exploration Lab, Wood Workshop, Digital Prototyping lab & User Testing Lab
- International Student Exchange programmes at universities across Europe and the USA
- Grants, Industry engagement & mentor connect to support your innovations

The K J Somaiya Institute of Dharma Studies offers programmes dedicated to the study of Indian religious traditions, culture, and philosophy, with an emphasis on the study of ancient Indian languages. Programmes focus on textual study, historical context, art and architecture, religious practice traditions and on modern debates with a bearing on social justice and gender equality. Through an extensive programme of education, publishing, and research, we are dedicated to share India's rich cultural heritage with students through short-term as well as long-term, academically rigorous programmes.

Key Features:

- The three centers that form part of the institute have been in the field of religious and cultural studies for more than 25 years.
- Our faculty members are highly qualified and have several years of experience in the diverse nature of our specialisations which helps to bring out a wide array of perspectives enhancing teaching-learning outcomes
- We are the only institution in the city that offers Master's and PhD programmes in Jainology and Prakrit.
- In conformity with NEP guidelines, our UG programme in Yogashastra has a 4-year Honours option, after which students will become eligible to do a PhD in Yogashastra.
- We have an outreach programme at Sakarwadi, near Shirdi, where students and faculty engage with the rural community with teaching basic principles of the religions and of Yoga practice for wellness.
- The institute has an active programme for Interfaith Understanding which provides a platform for religious leaders, scholars and students to engage in meaningful dialogue on issues of the real world pertaining to harmony, inclusivity and gender equality.

Candidates aspiring to know about the complete or basic understanding of any library should consider SVU, Department of Library & Information Science. Here, the primary objective of the curriculum is to make pupils aware of the technical functions of a library practically and theoretically.

Since the digital era has taken over all the aspects of our lives, libraries too have been updated from traditional to the digital age. The concept of Library & Information Science (LIS) is now delivered or provided in the form of Information Technology (IT) and practical hands-on knowledge.

MLISC admission at different level as per NEP 2020

1. Admission to Semester I: Graduate from any discipline from recognised university.
2. Admission to semester II: Students graduate from any branch/department and have completed their diploma /certificate course in Library and Information Science from recognised government/Institute/Body and 5 years 'working experience from university affiliated colleges/Institutions/reputed organisations can be given admission to the second semester of the MLISc. course.
3. Admission to semester III: Students who have been awarded a BLISc degree from any UGC approved university, can be given admission to the third semester. So those library professionals already have BLISc graduate/working professionals who can opt for admission for MLISc.
4. Admission to semester IV: Those students who have already taken admissions for MLISc and completed one term /or both the term but unable to complete their degree/or working professionals can be admitted in Fourth Semester.
5. Students admitted for 2, 3, 4 need to complete online courses/departmental examinations along with regular semester courses, with permission of HOI.

Somaiya Scholarships and Financial Aid

Somaiya Vidyavihar University is dedicated to making world-class education accessible and affordable to students from diverse backgrounds. Aid programmes play a crucial role in ensuring that talented individuals can pursue higher education at Somaiya Vidyavihar University.

Objective

The objective of the scheme is to provide financial assistance on a need base, and sports excellence to the Economically Weaker Section (EWS) and meritorious students studying under-graduate, post-graduate, and diploma courses at Somaiya Vidyavihar University.

Financial Aid

This is for fresh students and aspirants. Students can apply online for the same while filling out the application form for admission. Since 2021 we have assisted over 300 students with need-based scholarships and financial aid. So, Yes – You can afford to study at Somaiya Vidyavihar University & Somaiya Vidyavihar.

Eligibility:

To qualify for financial aid, students must meet basic eligibility criteria:

- Family income less than ₹800,000 per annum
- People with Disabilities (PwD) & EWS Category
- Wards of Defence personnel disabled or deceased in the line of duty
- Applicants who have represented the state and/or country in any recognised sport. (Only for BSc Sports and Exercise Science applicants).

The scholarships we offer are as follows:

Our commitment is to empower exceptional students and inspire them to achieve their educational goals. We view it as our crucial responsibility to provide equal opportunities to all students interested in pursuing higher education, enabling them to actively contribute to society, regardless of their financial status.

Somaiya Scholarship: The Somaiya scholarship was initiated in the AY 2014 since then we have assisted more than 500+ students with financial support. Under Somaiya Scholarships the scholarships we offer are as follows.

Chairman's Scholarship: The objective of the Chairman's scholarship is to help meritorious students from Somaiya Vidyavihar University. This scholarship allows students to pursue any course at SVU/SVV.

Merit-Based Scholarship: The objective of merit-based scholarship is to help meritorious students of SVU. We provide scholarships to women students across campus and students applying for humanity courses.

Somaiya Women's Scholarship: Providing financial assistance to SVU/SVV female students with financial need and a strong educational track record.

Need-Cum Merit-Based Scholarship: The objective of the Need-Cum Merit-Based scholarship is to provide financial assistance to students who belong to the financially weaker section. This scholarship is funded by Maganlal Mehta Charitable Trust. It aims to provide financial assistance based on demonstrated financial need.

Benevolent Status Scholarship: The objective of this scholarship would be to help students who have faced a sudden financial loss due to a death in the family or loss of a job, etc. This could apply to any student across our campuses at any point during their course.

The basic eligibility criteria to qualify for the Somaiya Scholarship :

- Applicant should have confirmed the admission with any of the institutions of SVU/SVV
- The candidate may be limited to other need-based scholarships & loans.

For financial Aid & Scholarships Please refer to our full policies at <https://scholarships.somaiya.edu/en>

Say NO to Ragging

Ragging is a criminal offence as it does not break the ice, it breaks the careers, lives, and the families. Hence, UGC has framed regulations on curbing the menace of ragging in higher educational institutions to prohibit, prevent and eliminate the scourge of ragging.

Be aware, teasing and torturing a person mentally and physically results in severe psychological problems.

UGC Regulations defines ragging as an act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.

Ragging in any form is punishable. Students in distress due to ragging-related incidents can contact:

- National Anti-ragging Helpline **1800-180-5522 (24*7 Toll Free)**
- Anti-Ragging Helpline e-mail at helpline@antiragging.in
- UGC Website: www.ugc.ac.in and www.antiragging.in
- Aman Satya Kachroo Trust (UGC monitoring agency): **098711 70303 / 098184 00116** (only in case of emergency)
- Somaiya Vidyavihar University and its Constituent Colleges Anti-Ragging Committee:
https://svu-iqac.s3.ap-south-1.amazonaws.com/Various+Committee/Office+Order-Anti_Ragging+Committee_SVU.pdf

Go ahead and report ragging!
