Somaiya Vidyavihar University - At a Glance

Somaiya Vidyavihar University, with over six decades of rich experience in managing educational institutions and imparting quality education, offers numerous opportunities and multidisciplinary programmes to students worldwide.

Somaiya Vidyavihar University is located in the heart of Mumbai and nestled in a vast 50-acre green campus. The university caters to 39,000+ students in diverse fields of education including Design, Engineering, Science, Commerce & Business Studies, Humanities & Social Sciences, Library & Information Science, Management, Religion & Culture, Sports, and Music. Established in 2019, Somaiya Vidyavihar University, Mumbai, is a self-financed, private university recognised by the University Grants Commission (UGC).

Our Vision

Padmabhusan Shri K J Somaiya founded Somaiya Vidyavihar on the 9th of September 1959.

He later founded the Girivanvasi Pragati Mandal, The K J Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multidisciplinary and multi-campus education institution with over 1500 faculty, and 39,000 students.

Our motto is: ज्ञानादेव तु कैवल्यम् Knowledge alone liberates. Liberates from poverty, from hunger. Also to liberate one from the attachments that bind us to small-mindedness. Knowledge also provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity.

न मानुषात् परो धर्मः : We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. अभ्यासेन तु कौन्तेय वैराग्येण च गृह्यते | We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages.

Finally, our education will help students lead a full life, to fall in love with life.

Our dream, is to build a world-class research and teaching institution, that is global in the reach of its ideas, and universal in its service. Welcome to our community.

Message from the Hon'ble Chancellor Shri Samir Somaiya

Somaiya Vidyavihar University was formed in 2019. University status gives us greater academic freedom to imagine and work towards building a world-class institution. The motto of Somaiya Vidyavihar University is ज्ञानादेव तु कैवल्यम् - 'Liberation only through knowledge.' The knowledge that we provide is meant to enable the student to pursue his or her dreams.

Our education is meant to be experiential, holistic, to be able to engage with one another and learn from each other. Our founder, my grandfather, Padma Bhushan Karamshi Jethabhai Somaiya always believed that one must learn from the best. We are jointly working in the pursuit of that goal. I believe the road is long, but we are on it. And that we must work and pursue the goal together.

It is what we do, as faculty, as students, as staff, and as alumni that will help make this happen. All of the above, have fun. We are on this journey together. To build an institution global in the reach of its ideas and universal in its service.

Message from the Vice Chancellor Prof V. N. Rajasekharan Pillai

Somaiya Vidyavihar University offers multi-disciplinary learning opportunities through diverse UG, PG, Integrated Masters, and PhD Programmes in all major departments like Engineering and Technology, Basic and Applied Sciences, Commerce and Business Studies, Language and Literature, Management Studies, Education, Dharma Studies, Music & Performing Arts. From this academic year onwards the University offers BS-MS Integrated Programmes in Basic Sciences in line with the premier national institutions in the country.

Promotion of research through Full-time scholarship and Research Associateship Schemes, Seed money for research and promotion of teaching and research through Research and Teaching Associateships, Freeships and Scholarships, Merit-Cum-Means Scholarship, are some of the progressive measures the University is taking for advancing knowledge and skills and for attracting the best talents. The University also offers diverse opportunities in the areas of sports, games and different cultural activities.

The K J Somaiya Institute of Dharma Studies offers programmes dedicated to the study of Indian religious traditions, culture, and philosophy, with an emphasis on the study of ancient Indian languages. Programmes focus on textual study, historical context, art and architecture, religious practice traditions and on modern debates with a bearing on social justice and gender equality. Through an extensive programme of education, publishing, and research, we are dedicated to share India's rich cultural heritage with students through short-term as well as long-term, academically rigorous programmes.

Key Features:

- The three centers that form part of the institute have been in the field of religious and cultural studies for more than 25 years.
- We offer programmes in Sanskrit, Pali, Prakrit, and Tibetan languages
- We are the only institution in the city that offers Master's and PhD programmes in Jainology and Prakrit.
- The Masters programme in Sanskrit is the only one in the city that offers the option to specialise either in Grammar or in Philosophy.
- In conformity with NEP guidelines, our UG programme in Yogashastra has a 4-year Honours option, after which students will become eligible to do a PhD in Yogashastra.
- We have an outreach programme at Sakarwadi, near Shirdi, where students and faculty engage with the rural community with teaching basic principles of the religions and of Yoga practice for wellness.
- The institute has an active programme for Interfaith Understanding which provides a platform for religious leaders, scholars and students to engage in meaningful dialogue on issues of the real world pertaining to harmony, inclusivity and gender equality.

Say NO to Ragging

Ragging is a criminal offence as it does not break the ice, it breaks the careers, lives, and the families. Hence, UGC has framed regulations on curbing the menace of ragging in higher educational institutions to prohibit, prevent and eliminate the scourge of ragging.

Be aware, teasing and torturing a person mentally and physically results in severe psychological problems.

UGC Regulations defines ragging as an act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.

Ragging in any form is punishable. Students in distress due to ragging-related incidents can contact:

- National Anti-ragging Helpline **1800-180-5522 (24*7 Toll Free)**
- Anti-Ragging Helpline e-mail at **helpline@antiragging.in**
- UGC Website: **www.ugc.ac.in** and **www.antiragging.in**
- Aman Satya Kachroo Trust (UGC monitoring agency): **098711 70303 / 098184 00116** (only in case of emergency)
- Somaiya Vidyavihar University and its Constituent Colleges Anti-Ragging Committee:
