Somaiya Alumni Interaction in Switzerland - Building Connections Abroad

Switzerland | 31st January 2026

A recent visit to Geneva, Switzerland by Director, Alumni Relations offered a meaningful opportunity to reconnect with Somaiya alumni and strengthen the growing global alumni network. During the trip, outreach efforts led to interactions with five alumni currently based in three different Swiss cities, reflecting the diverse paths Somaiya graduates have taken worldwide.

Reconnecting in Geneva

In Geneva, two alumni - Prajish and Abhishek met for an informal coffee interaction. Prajish is an alumnus of K J Somaiya Institute of Management, while Abhishek is an alumnus of K J Somaiya School of Engineering. The interaction was warm and engaging, with alumni sharing their experiences and journeys since graduating. Other Somaiya alumni identified in Switzerland included Nimish, currently working with Infosys and based in Luz, and Richa, a sustainability consultant based in Basel.

Strengthening the Alumni Network

A key takeaway from the interaction was that the alumni were previously unaware of other Somaiya graduates based in Switzerland. Learning about fellow alumni nearby and hearing updates on developments and initiatives at Somaiya Vidyavihar generated strong interest and enthusiasm.

The alumni expressed their intent to stay connected with the Somaiya Alumni Office in India and, importantly, with one another - a small but significant step toward building a more active Somaiya alumni presence in Switzerland.

Even intimate, city-level interactions like these play an important role in nurturing Somaiya's global community. As alumni continue to connect across geographies, each conversation helps strengthen the shared Somaiya bond and opens doors for future collaboration.

Mrs Durga Sinha

Director, Somaiya Alumni Relations

Silver Somaiyans: Where 25 Years Melted into One Day of Memories

Right to Left: Shri Samir Somaiya, President; Lt Gen H S Kahlon, Secretary, SVU; Prof Ajay Kapoor, Vice Chancellor, SVU; Mrs Durga Sinha, Director, Somaiya Alumni Relations

Silver Somaiyans 2026 hosted more than 215 alumni from the class of 2001 at Somaiya Vidyavihar Campus, commemorating 25 years since their graduation. The institute-wise participation for Silver Somaiyans 2026 reflects the wide academic representation and enduring inter-institutional bonds within the Somaiya ecosystem.
